### **Sponsorship Opportunities**

Please consider supporting the Reading Specialists Council of Suffolk (RSCS). Below you will find our sponsorship/exhibitor/participant levels and their benefits. Consider these as starting points. We will be happy to customize sponsorships to meet your needs. A sponsorship will help to give your organization brand exposure to our diverse membership and will remain active for one full year upon joining.

The RSCS is a professional organization of K-12 reading specialists, classroom teachers, administrators, professors, paraprofessionals, future teachers, and community members who are interested in improving literacy instruction in all of its aspects. For 48 years, we have provided a forum and network to further an awareness of literacy issues as they relate to the profession and the community.

The RSCS is chartered by the International Literacy Association (ILA, formerly IRA), is a member of the NY State Reading Association (NYSRA) and listed in the SCOPE Directory and with the Western Suffolk BOCES Professional Instructional Program.

Sponsorship dollars will support our educational and community outreach programs.
